EXECUTIVE DIRECTOR

ABOUT VEEES

The Vancouver Eastside Educational Enrichment Society (VEEES) is a small non-profit organization that has been serving communities in East Vancouver, BC (Coast Salish Territory) for more than 30 years. VEEES provides education and employment programs to those who otherwise would not have access. We work with those who face marginalization – those coming out of jail, those who are survivors of violence and trauma, those who have had few opportunities in their lives, those looking to better their lives.

VEEES currently runs the [newSTART Bridging Program](#), which works with the WorkBC Employment Program of BC community partners in Vancouver Northeast and Burnaby to provide an employment bridging program for women who are survivors of violence.

VEEES is looking for a new, energetic Executive Director to lead the organization in a time of transition and rebuilding. We are looking for a strong, collaborative leader who knows the challenges and opportunities of working in a small, community-based organization and who can advocate for VEEES, inspire its vision for the future and implement concrete steps toward that vision.
